Port St. George, December 18, 1942
(G.O. No. 2773, S. 4.)

In exercise of the powers conferred by sub-section (1) of section 303 of the Statutory Orders (Municipalities) Act, 1920 (Ordinance Act V of 1920), the Executive Engineer of Madras is hereby pleased to make the following rules relating to the transfer of registry of ownership of properties in the assessment books of municipalities:—

RULES.

1. In effecting changes in the ownership of properties in the assessment books in the application of any party, whether as a general revision or between any general revision and another, the executive authority shall observe the following provisions, namely:—

- (i) Transfer by voluntary entries of owners.—In all cases of voluntary transfer of title, the registry of properties may be altered to correspond with the transfer of the ownership on the application of both

the parties to the transfer or either of them, provided that the application for change of registry is in every case made in writing and is signed by the party or parties making it. It may be sent by post or presented in person or by duly authorized agent, or through an officer of the Registration department. Where such an application is presented by both the parties and one of them is the registered owner, change of registry as requested may be ordered at once. But where only one of the parties to the transfer makes the application, notice shall be served on the other party. Where the registered owner is not a party to the transaction, notice shall also be issued to him whether the application for transfer of registry is presented by both the parties or one of them. If the registered owner objects to the proposed transfer, no change shall be made unless the person who claims to be the owner produces satisfactory legal evidence. Where only one party to the transaction applies and the other either objects or is silent, the parties should be connected by a person, such as a solicitor. When the claim is not complete, it should be filed in by other evidence, such as statements of respectable persons and tax receipts. A month's time shall be allotted for doing otherwise and if any objection is made, no power shall be held and unless the objection is found to be valid, transfer of registry shall be made.

- (2) *Transfer in decrees/decree*—In cases of transfer of title of non-parties in the case of decrees/decree with reference to a decree of a civil court or of judgments in actions taken in execution of civil court decrees, change of registry may be made at once on the production of one of the parties to the work or of the judgments/decree and on the production of an authenticated copy to the decree or a certificate of sale in the case may be, and a certificate of delivery of possession in possession thereof provided the transfer is from the registered owner. When the transfer is from a person who is not the registered owner, notice shall be given to the registered owner in the manner provided in sub-rule (1) before a change of registry is made. Where, however, a certificate of delivery of possession cannot be produced, or for instance, where on decree passed, possession is sold without execution proceedings and the decree is accordingly final, the rule shall be dealt with as provided in sub-rule (1) as regard to applications for change of registry presented only by one of the parties to the transfer.
- (3) *Transfer under declaratory decree*—In cases where transfer of registry is sought under a declaratory decree on which an execution can be taken out, i.e., where the decree merely declares the title to be vested in a particular person, or as to title how it is registered, the executive authority may, on the production of an authenticated copy of such decree, at once make the transfer of registry.
- (4) *Transfer which occurs by succession*—The executive authority may on satisfactory proof order transfer of registry in the case of transfers which occur by succession.

STATEMENT OF OBJECTS AND REASONS.

The Bill is introduced to remove from the Statute-Book certain Acts or portions of Acts which have either ceased to have effect or ceased to be in force, and to correct small errors detected in the Acts contained in the Second Schedule. The names which follow explain the circumstances underlying the terms of the Bill. Clause 4 of the Bill contains the preliminary provisions which it is desired to include in all Bills of this kind.

New Delhi,
The 7th September 1910.

S. SULTAN AMER,

Secretary.

The First Schedule.

The provisions, or portions of provisions, which are dealt with in the First Schedule are either "spent" or one of a purely technical nature and by virtue of section 6A of the General Clauses Act, 1897, can now be removed from the Statute-Book.

The Second Schedule.

The Code of Civil Procedure, 1908—The Government of India (Adaptation of Indian Laws) Supplementary Order, 1907, when amending sub-section (2) of section 40 of the Code of Civil Procedure, 1908, in the adaptation of the words "separate Government" for the words "separate Government" in clause (3) of the proviso, and by the addition to the proviso of an explanatory definition "separate Government," intended to give out a similar amendment in rule 64 of Order XXI in the First Schedule. The amendment is now enacted.

The Indian Income-tax Act, 1907—A clerical error is corrected.

The President's Order, 1907—A clerical error is corrected, introduced when the Government of India (Adaptation of Indian Laws) Order, 1907, substituted other words for the words "the Government" in the proviso.

The India Navy (Discipline) Act, 1934.—The Government of India (Adaptation of Indian Laws) Order, 1937, as modified by the Government of India (Adaptation of Indian Laws) Supplementary Order, 1937, when amending clause (1) of section 32 intended to carry out the amendments now being made. The words omitted in clause (2) are superfluous and should have been omitted when adapting the U.K. Naval Discipline Act.

The Jute-weave Act, 1938.—A clerical error is corrected.

The Arbitration Act, 1940.—An error which arose during and in consequence of the re-enactment of the provisions of the Bill prior to its introduction is here corrected.

The Delhi Mutation of Cuts of Land Act, 1941.—A consequential amendment which should have been made during the passage of the Bill is now carried out.

The Industrial Disputes Act, 1947.—A clerical error is corrected.

The Indian's Port Act, 1930.—The Eastern Bengal Railway is now amalgamated with the Assam Bengal Railway under the name of the Bengal and Assam Railway. The Port Office, Calcutta, as successor of the superintendence of the Northern Marine Administration, has been replaced by the office whose designation is substituted by the amendment now made.

The Shipping Port Act, 1914.—A consequential amendment is made in the Act. As a result of the amalgamation of the Assam Bengal Railway with the Eastern Bengal Railway, the whole system now operates under the name of the Bengal and Assam Railway.

The Assam Forest Regulation, 1886.—The words omitted are superfluous in subsection (5) of section 37 of the Regulation and it was only through oversight that the matter was not set right by the Government of India (Adaptation of Indian Laws) Supplementary Order, 1937. This is now rectified.

The following Bill* was introduced in the Legislative Assembly on the 18th September 1942:—

L.A. BILL, No. 50 OF 1942.

A Bill to temporarily to amend the Indian Rubber Control Act, 1934.
 ENFORCED in a subsequent temporary to amend the Indian Rubber Control Act, 1934, for the purpose hereinafter appearing: It is hereby enacted as follows:—

1 This Act may be called the Indian Rubber Control (Temporary Amendment) Act, 1942.

2 During the continuance of the present hostilities and for a temporary period of six months thereafter, subsection (2) of section 45 of the Indian Rubber Control Act, 1934, shall have effect as if—

- (a) after the words "operation of all" the words "or any of" had been inserted, and
 (b) the words "except those relating to the planting and export of rubber plants" had been omitted.

STATEMENT OF OBJECTS AND REASONS.

The Indian Rubber Control Act, 1934, was passed to implement India's obligations under an Agreement made in 1934 between the Governments of France, the United Kingdom, India, the Netherlands and Spain, to regulate production and export of rubber.

Section 45 of the Act, framed in pursuance of Article III of the Agreement enables the Central Government in a time of emergency to suspend wholly or partially or for a stated period the operation of all the provisions of the Act except those relating to the planting and export of rubber plants.

The suspension by the exercise of power of the rubber producing countries in the Far East has resulted in a shortage of raw rubber for the United Kingdom. To conserve and conserve supplies, it is desirable in every respect of raw rubber from India, while ensuring increased production of raw rubber in India by the removal of restrictions on and generally facilitating the planting of rubber plants.

It is therefore necessary to amend section 45 of the Indian Rubber Control Act, 1934, to remove during the present emergency the necessity of the Central Government to suspend those provisions of the Act which relate to the planting and export of rubber, and to enable the United Government to suspend more or less, without suspending all, of the other provisions of the Act.

* The Government has been pleased to give the previous sanction required in terms of section 45 of the Government of India Act, 1935, for the introduction of the Legislative Assembly of the Bill.

The following Bill was introduced in the Legislative Assembly on the 16th September 1942:—

L.A. BILL No. 30 OF 1942.

1. A Bill further to amend the Indian Companies Act, 1940.
WHEREAS it is expedient further to amend the Indian Companies Act, 1940, for the purposes hereinafter appearing, it is hereby enacted as follows:—

27.10.42.

1. (1) This Act may be called the Indian Companies (Amendment) Act, 1942.

Short title
and commencement.

(2) It shall come into force on such date (not earlier than one year from the date of its publication in the official Gazette after having received the sanction of the Governor-General or the Central Government) as, by notification in the official Gazette, appointed in this behalf.

2. To amend 217 of the Indian Companies Act, 1940, the following proviso shall be added, namely:—

Amendment
of section
217, Act VI
of 1940.

"Provided that any company which was at part of the time under which it carries on business the word 'bank', 'banker' or 'banking' shall be deemed to be a banking company notwithstanding that the accepting of deposits of money or current account or otherwise, subject to withdrawal by cheque, draft or order, is not, or is not deemed to be, the principal business of the company."

STATEMENT OF OBJECTS AND REASONS.

The definition of banking companies in section 217 of the Indian Companies Act, 1940, has caused considerable difficulty in deciding whether a company is a banking company or not. The chief difficulty arose out of the use of the term "principal business" in section 217. Arguments of Companies have often been a difficult to decide, particularly in the case of smaller institutions calling themselves banks, whether or not in terms of this definition they are banking companies. The result has been that a very great number of such institutions which may be regarded as unincorporated banks operating in British India are not subject to the provisions imposed by law on banking companies or, for instance, maintaining a reserve fund reserve. There are cases where it is clear that for one reason or another they do not fall within the definition of banking companies, and this confusion has, in some cases been upheld by the Courts.

2. With the object of removing these difficulties a proposal was circulated by the Government of India to Provincial Governments and commercial bodies then, pending any separate comprehensive legislation relating to banking, section 217 of the Indian Companies Act, should be amended so as to provide that any company which was at part of its time the word "bank", "banker" or "banking" shall be deemed to be a banking company irrespective of whether the business of accepting deposits of money or current account or otherwise, subject to withdrawal by cheque, draft or order, is its principal business or not. It was also suggested that separate laws should be given to allow companies now using any of these words to make necessary changes in their constitutions before the amendments made by this Bill is brought into force.

3. All the President's Government and an overwhelming majority of members have approved these proposals. The Bill is designed to give legislative effect to them.

The following Bill was introduced in the Legislative Assembly on the 18th September 1942:—

L.A. BILL No. 51 OF 1942.

A Bill further to amend the Indian Railways Act, 1930.

WHEREAS it is expedient further to amend the Indian Railways Act, 1930, for the purpose hereinafter appearing; it is hereby enacted as follows:—

1. This Act may be called the Indian Railways (Amendment) Act, 1942.

2. In Chapter VII of the Indian Railways Act, 1930, after section 42 the following sections shall be inserted, namely:—

"42A. (1) When in the course of working a railway an accident occurs, being either a collision between trains of which any is a train carrying passengers or the derailment of or other accident on a train or any part of a train carrying passengers, then, whether or not there has been any wrongful act, neglect or default on the part of the railway administration such as would entitle a person who has been injured or has suffered loss or damage to sue for compensation, the railway administration shall, notwithstanding any other provision of law to the contrary, be liable to pay compensation to the extent set out in subsection (2) and to that extent only for loss occasioned by the death of a passenger or by a direct result of such accident, and for personal injury and loss, destruction or deterioration of animals or goods owned by the passenger and accompanying the passenger in his compartment or on the train, sustained as a direct result of such accident.

(2) The liability of a railway administration under this section shall, in no case exceed seven thousand rupees in respect of any one person; and a railway administration shall not have any liability under this section in respect of any person being a passenger on a train if such person is travelling without having with him a proper pass or ticket."

STATEMENT OF OBJECTS AND REASONS.

Under the existing provisions of the law, no compensation is payable in those cases or in the dependence of those killed in a train accident that is not due to negligence on the part of a railway administration or its servants. Considerable hardship has been caused in consequence, particularly amongst the poorer classes, as dependents of those killed and injured in accidents due to sabotage for example, were unable to obtain any compensation for the loss they had sustained. The Bill seeks to remove this state of affairs by requiring railways to pay compensation in all train accidents whether due to negligence or not, but to limit the liability in all such cases to a fixed sum in the case of any individual passenger.

The following Bill was introduced in the Legislative Assembly on the 14th September 1942:—

I. A. BILL No. 29 OF 1942

A Bill further to amend the Code of Civil Procedure, 1908

Whereas it is expedient further to amend the Code of Civil Procedure, 1908, for the purposes hereinafter appearing; It is hereby enacted as follows:—

1. The Act may be called the Code of Civil Procedure (Amendment) Act, 1942.

2. In the First Schedule to the Code of Civil Procedure, 1908, after Order XXVII, the following Order shall be inserted, namely:—

"ORDER XXVII-A.

Notwithstanding a substantial question of law or in the interpretation of the Government of India Act, 1935, or any Order-in-Council made thereunder.

1. In any case in which it appears to the Court that a substantial question of law or in the interpretation of the Government of India Act, 1935, or any Order-in-Council made thereunder is involved, the Court shall not proceed to determine that question until after notice has been given to the Advocate-General of India if the question of law concerns the Central Government and to the Advocate-General of the Province if the question of law concerns a Provincial Government.

2. The Court may at any stage of the proceedings order that the Central Government or a Provincial Government shall be added as a defendant in any case involving a substantial question of law or in the interpretation of the Government of India Act, 1935, or any Order-in-Council made thereunder if the Advocate-General of India or the Advocate-General of the Province as the case may be, whether upon receipt of notice under rule 1, or otherwise, applies for such addition and the Court is satisfied that such addition is necessary or desirable for the satisfactory determination of the question of law involved.

3. Where under rule 2 Government is added as a defendant in a suit, the Advocate-General or the Government shall not be entitled to or liable for costs in the Court which exceed the expenses which the Court having regard to all the circumstances of the case for any special reason otherwise orders.

4. In the application of this Order to appeals the word "defendant" shall be held to include a respondent and the word "costs" shall be held to include a respondent's costs.

STATEMENT OF OBJECTS AND REASONS.

In the case, United Provinces v. Alton Bagam (1940, F.C.R.) p. 150, the question arose whether during the hearing of an appeal in which the constitutional validity of an Act of the Provincial Legislature was contested the High Court had the power to make the Province a party under the provisions of the Code of Civil Procedure, 1908. While the Federal Court answered this question in the affirmative, the Chief Justice expressed certain doubts and suggested that the question "ought well require the attention of the Central Legislature." One of these doubts was founded, "perhaps perhaps could be a private statement of their dissent, or even by exclusion, prevent a Provincial Government from obtaining a decision of the Federal Court on issues of the highest importance." This Bill accordingly seeks to provide that in any suit or appeal in

which it appears to the Court that a substantial question of law as to the interpretation of the Constitution Act or an Order-in-Council made thereunder is involved. The Court shall first give notice to the Attorney-General of India, or of the Province as the case may require, and may, if satisfied that it is necessary or desirable for the expeditious determination of the question as to do, order that the Government concerned shall be added as a party.

The following Bill was introduced in the Legislative Assembly on
The 11th September 1945.—

L.A. BILL No. 31 OF 1945

to amend the Code of Civil Procedure, 1908.

Enacted (it is enacted) hereby to amend the Code of Civil Procedure, 1908, for the purposes hereinafter appearing. It is hereby enacted as follows:—

1. This Act may be called the Code of Civil Procedure (Amendment) Act, 1945.

2. In Order XXXIII in the First Schedule to the Code of Civil Procedure, 1908,—

- (a) after rule 11, the following rule shall be inserted, namely:—
"11A. Where the order shows by reason of the death of the plaintiff or of any person added as a defendant the Court shall order that the amount of costs which would have been paid by the plaintiff if he had not been permitted to sue the parties shall be recoverable by the Provincial Government from the assets of the deceased plaintiff";
(b) in rule 12, for the words and figure "of rule 11" the words, figures and figure "rule 11, or rule 11A" shall be substituted;
(c) in rule 13, after the words and figure "rule 11" the words, figures and figure "rule 11A" shall be inserted;
(d) for rule 14, the following rule shall be substituted, namely:—

"14. Where an order is made under rule 10, rule 11 or rule 11A the Court shall, notwithstanding any copy of the decree or order to be forwarded to the Collector, who may, without prejudice to any other mode of recovery, recover the amount of costs due specified therein from the person or persons liable for the payment as if it were an order of judgment."

STATEMENT OF OBJECTS AND REASONS.

Rules 10 and 11 of Order XXXIII of the First Schedule to the Code of Civil Procedure, 1908, provide the amount of costs to be paid in whole or in part by the defendant in cases in which an order is made by the Court. It has been pointed out that the provisions contained in these rules do not enable the Provincial Government to recover costs where the order shows by reason of the death of the plaintiff or of any person added as a defendant the amount of costs payable to the plaintiff or to any person added as a defendant. This is the reason for the proposed amendment.

Where an order is made under rule 10 or rule 11 of Order XXXIII the Court sends a copy of the decree to the Collector who then takes out execution proceedings in Court for the recovery of the amount due to Government. Such execution proceedings are often frustrated by the evasion of assets (assets). In order to provide a less expensive and more effective and expeditious mode of recovery, it is proposed to amend Order XXXIII to enable Government to recover costs awarded to it as payable costs as if the amount of such costs were money of judgment.

Notice is hereby given that the said Bill will be considered on or after the 7th November 1942 and that any objection or suggestion which may be received with respect thereto before the said date by the Secretary to the Government of Madras in the Public Works Department, will be considered.

A Bill further to amend the Madras Electricity Duty Act, 1939.

Madras
Act V of
1942.

WHEREAS it is expedient further to amend the Madras Electricity Duty Act, 1939, for the purposes hereinafter appearing;

IN G.O. A.
Ch. 1.

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

ENACTED

[101]

Now, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

Short title. 1. This Act may be called the Madras Electricity Duty (Amendment) Act, 1932.

Amendment of section 3, Madras Act V of 1929. 2. In section 3 of the Madras Electricity Duty Act, 1929 (hereinafter referred to as the said Act)—

(i) the Explanation to sub-section (1) shall be omitted;

(ii) after sub-section (3), the following sub-section and Explanation shall be added, namely:—

"(4) Where a consumer who is liable to pay duty under this section sells energy to the Central Government for consumption by that Government or to the Federal Railway Authority or a railway company operating a Federal Railway for consumption in the construction, maintenance or operation of a Federal Railway, the price charged on such sales shall be less by the amount of the duty than the price charged to other consumers of a substantial quantity of energy, provided the price last mentioned is more than two annas per unit.

In this sub-section, the expression 'price charged to other consumers' shall include the duty, if any, recoverable from the consumer under sub-section (1) of section 7.

Explanation.—The expression 'Federal Railway' in this section shall have the meaning assigned to it in sub-section (2) of section 31 of the Government of India Act, 1935."

[S. Gen. R. Ch. 2.]

Amendment of section 7, Madras Act V of 1929. 3. In the Explanation to sub-section (1) of section 7 of the said Act, for the words "The duty", the following shall be substituted, namely:—

"Save as provided in sub-section (4) of section 3, the duty".

4. In sub-section (2) of section 3 of the said Act, ^{Amendment} clauses (b) to (c) shall be relettered as clauses (c) to (f) ^{of section 3.} respectively, and the following shall be inserted as ^{clause} clause (b), namely:—

"(b) refunds to the Central Government, the Federal Railway Authority and railway companies operating Federal Railways, when the price paid by them is found to exceed the limit specified in sub-section (4) of section 3;"

5. The said Act shall be read and construed as if the ^{Act to have} amendments made by sections 2, 3 and 4 had formed ^{retrospective effect.} part of the said Act from its commencement.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to bring the Madras Electricity Duty Act, 1939 (Madras Act V of 1939), into strict accord with the provisions of section 154-A of the Government of India Act, 1935. That section imposes two distinct conditions on provincial taxation on sales of electricity, namely:—

- (1) that no tax shall be imposed on electricity sold to the Central Government for consumption by that Government, or to the Federal Railway Authority or a railway company operating a Federal Railway, for consumption in the construction, maintenance or operation of a Federal Railway, and
- (2) that the provincial law shall secure that the price of electricity sold to the Federal Government, the Federal Railway Authority or a railway company, for consumption as aforesaid, shall be less by the amount of the tax than the price charged to other consumers of a substantial quantity of electricity.

Condition (1) above was incorporated in the principal Act by Madras Act III of 1941, but condition (2) was not; and the object of this Bill is to supply this omission.

(By order of His Excellency the Governor)

P. APPU NAIR,
Secretary to Government, Legal Department.

Now, therefore, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

Short title.

2. After clause (b) of sub-section (1) of section 3 of the Madras Nurses and Midwives Act, 1926, the following clause shall be inserted, namely:—

Amendment of section 3, Madras Act III of 1926.

Madras Act III of 1926.

"(b) an officer of the Medical Department of Government, nominated by the Provincial Government;"
